**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition within telecommunications companies. Too much power to a few would result in higher prices to consumers and a lack of choice and service. They already act as if they 'own us' and it isn't right!

The FCC is already on the wrong side of history with its decision on net neutrality. Freedom and choice for every person is after all the American ideal!
